

To whom it may concern:

Mr. Eidlin did some siding and roof repairing on my house. In addition, external TV antenna was installed. I had a clear picture regarding every work - how it should be done including very useful suggestions. Mr. Eidlin was punctual and easy to deal with. The cost of repairs was fair and reasonable. I will not hesitate to call Mr. Eidlin for next repair or project and, definitely, I would recommend Mr. Eidlin to anybody as an honest and knowledgeable handyman.

Thanks,  
Igor
